PROFESSIONAL SUMMARY

Passionate UI/UX Designer with a strong focus on creating beautiful, functional and user-centered digital experiences. I enjoy solving complex problems with modern design. Always eager to learn new technologies and push the boundaries of what's possible on the web.

EXPERIENCE

UI Designer Intern

July 2025 – December 2025

Swanirbhar

- Designed responsive and user-friendly web interfaces for real-world projects.
- Created wireframes, high-fidelity designs and interactive prototypes in Figma.
- Collaborated with developers to ensure seamless implementation of designs.
- Improved user experience by conducting competitor analysis and incorporating feedback.

PROJECTS

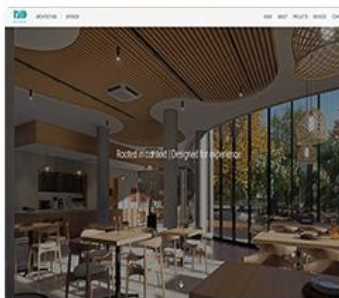

NovaFlow – SaaS Landing Page

Frontend Project

Modern SaaS landing page focused on strong visual hierarchy, conversion optimization, and responsive UI design.

- Created user flows, wireframes and high-fidelity UI.
- Focused on data visualization and usability.
- Tools: Figma, Illustrator

RAID Studio Website

Frontend Project

Architecture and interior design website built with React, TypeScript, and Tailwind CSS.

- Conducted research and competitor analysis.
- Redesigned UI with responsive layout.
- Improved navigation and content hierarchy.
- Tools: Figma, Tailwind CSS

Faith By Experiments

Full Stack Project

Premium subscription-based content platform with secure authentication and Razorpay integration.

- Built with React JS and Tailwind CSS.
- Fully responsive and optimized for performance.
- Deployed on Vercel.

LEADERSHIP & RECOGNITION

Judge & Mentor – UXcelerate Designathon BVPISTE

Apr 2026

- Invited as a Judge and Mentor for UXcelerate Designathon organized by BVCOE ISTE, New Delhi.
- Mentored participants on UI/UX design decisions, wireframes, and prototypes.
- Evaluated submissions based on usability, creativity and problem-solving approaches.
- Collaborated with organizers and fellow judges during final evaluations and presentation rounds.
